

How to use Guide

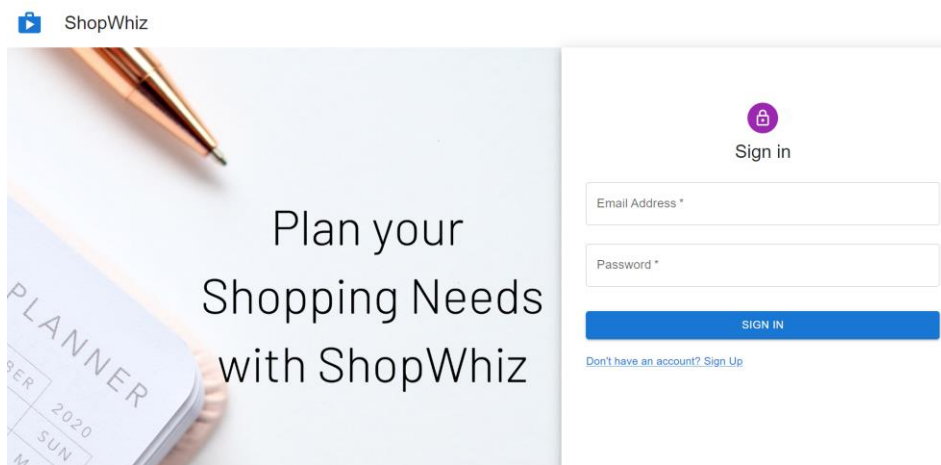

This is a guide on how to use the shopping planner website – ShopWhiz.

- A new user needs to first Sign up to use the website. Click on 'Don't have an account? Sign up' link and enter the email id and password. Then click on Sign up button to create a user account.

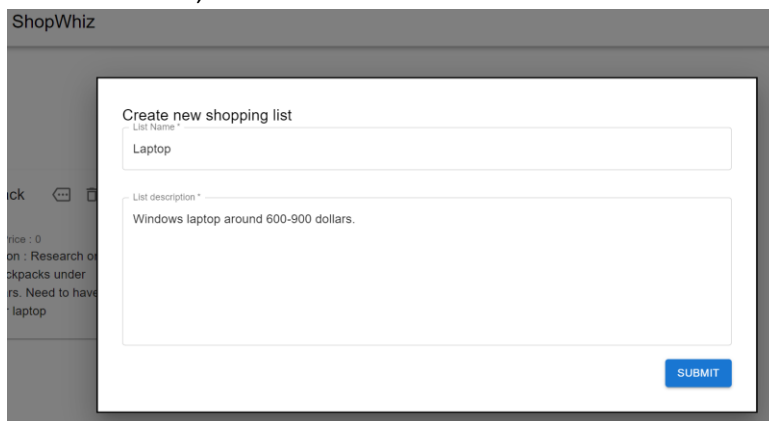

The image shows the ShopWhiz website header with the logo. Below it is a 'Sign up' form. The form has a purple lock icon and the text 'Sign up'. It contains two input fields: 'Email Address *' with the value 'nishacherian05@gmail.com' and 'Password *' with masked characters. A blue 'SIGN UP' button is at the bottom. A link 'Already have an account? Sign in' is below the button.

- All existing users of the website can sign in using their email id and account password.

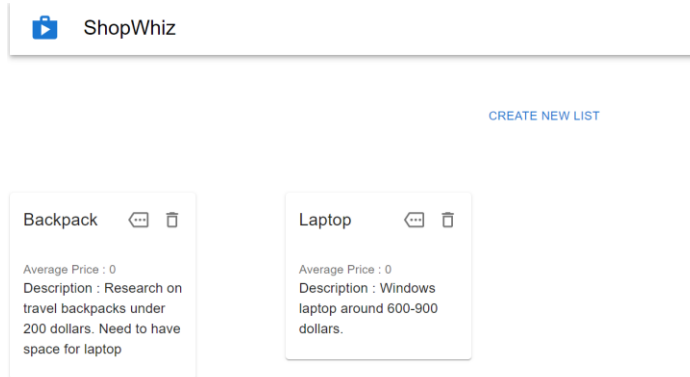

The image shows the ShopWhiz website header with the logo. Below it is a 'Sign in' form. The form has a purple lock icon and the text 'Sign in'. It contains two input fields: 'Email Address *' and 'Password *'. A blue 'SIGN IN' button is at the bottom. A link 'Don't have an account? Sign Up' is below the button. To the left of the form is a promotional image with a pen and a calendar, with the text 'Plan your Shopping Needs with ShopWhiz'.

- Once user logs in, they can click on 'Create a new list' button to create lists of shopping items. A window opens where the user can enter their Product name and description, and then submit. Once submitted, a new list is created.

The image shows the ShopWhiz website header with the logo. Below it is a 'Create new shopping list' form. The form has a title 'Create new shopping list' and two input fields: 'List Name *' with the value 'Laptop' and 'List description *' with the value 'Windows laptop around 600-900 dollars.' A blue 'SUBMIT' button is at the bottom right.

- All created lists are shown on the list page.

- To delete a list, user can click on the delete icon on a list.
- Clicking on the more on a list, takes the user to that item's page.

Laptop

Windows laptop around 600-900 dollars.

Name	Notes	Price	Link	Delete
<div>ADD ITEM</div>				

- Here users can click on 'Add item' button to add different types of an item from different websites, their prices and their link.

Add an item

Item name *

Lenovo

Item notes *

Intel Core i7 with 16GB Memory - 512GB SSD

Price *

749

Link *

<https://www.bestbuy.com/site/lenovo-yoga-7i-2-in-1-14-2-2k-laptop-intel-evo-platform-intel-core-i7-1355u-wi>

SUBMIT

- The added item can then be seen on a table. This lets the user compare prices of different items.
